

# You Are Not A Loan

The base of this map represents the average student debt per state. While the dots represent the best valued university in each state, where size is dependent on average early earnings divided by the average student debt (the bigger the dot the better). Time looked at a variety of factors such as: Average student debt, early career earnings, ACT/SAT scores, price without aid, price with grants, and the percent of students with need that are given grants. They used this data to determine the 727 most valued universities in America.

## The Top 5

1. Princeton University- NJ
2. University of California- San Diego- CA
3. Massachusetts Institute of Technology- MA
4. CUNY Bernard M Branch College- NY
5. University of Michigan- Ann Arbor- MI

Highest Student Debt:

University of Alaska (\$27,188)

Most Expensive:

Washington University- MO (\$73,700)

Most Early Career Earnings:

Massachusetts Institute of  
Technology (\$81,500)

Gives out Aid to 100 % of Students  
in Need:

Princeton University (NJ),
